SUBJECT: **NOTIFICATION OF USE OF DELEGATED AUTHORITY
TO EXECUTE AMENDMENT TO HEALTHY FAMILIES
PROGRAM NETWORK AGREEMENT WITH L.A. CARE
HEALTH PLAN**

This is to advise your Board that the Department of Health Services (DHS) is exercising its delegated authority, approved by your Board on December 19, 2006 (attached) to execute an Amendment to the Community Health Plan's (CHP) Healthy Families Program Network Agreement with L.A. Care Health Plan (LA Care).

DHS has executed Amendment No. 10 to extend the term of the Agreement effective January 1, 2012 through December 31, 2012. This term extension is to comply with the California Managed Risk Medical Insurance Board's (MRMIB) recommendation that the transition of the (CHP) enrollees to LA Care occur on September 30, 2012 because CHP has the preferred Community Provider Plan designation for the contract year starting October 1, 2011 and there is no established mechanism for transferring the program to LA Care mid-year. The term extension is also to permit completion of other close-out activities necessary for the full transition of CHP's Healthy Families Program to LA Care.

County Counsel participated in the negotiation process, reviewed the Amendment and has approved it as to form. The Chief Executive Office has approved the Amendment.

If you have any questions or require additional information, please let me know.

5. PURPOSE/JUSTIFICATION OF THE RECOMMENDED ACTIONS:

The Department of Health Services (DHS or Department) is recommending approval of these actions to enable CHP to: a) ensure continued funding and provision of health services to Medi-Cal beneficiaries enrolled in CHP, b) ensure continued access to health care and nurse advice line for all CHP product lines, administrative support for PASC-SEIU Homecare Worker Health Care Plan, and performance measurement support for HFP, c) offer standard form Agreements to qualified providers to increase capacity or access to care for any or all CHP product lines, and d) execute certain types of Amendments on a timely manner to ensure continued compliance with State and other local requirements and to remain competitive with other health plans in order to retain and increase CHP membership.

FISCAL IMPACT/FINANCING:

L.A. Care Agreements

PASC-SEIU Health Care Plan – Administrative Support Services

CHP receives funding from PASC on a capitated per member per month basis for each subscriber enrolled in CHP. The total estimated cost for the Administrative Support Services Agreement with L.A. Care is \$1.2 million dollars during the extension period. Based on current cost-sharing ratios, the PASC-SEIU Homecare Worker Health Care Plan is 82.3% offset by State and Federal funds, with the remaining 17.7% covered by net County costs. Funding is included in the Office of Managed Care's Fiscal Year (FY) 2006-07 Final Budget.

Healthy Families Program

The cost for HFP health care provided by L.A. Care's provider network for primary, specialty, hospital, behavioral, and pharmaceutical services, and performance measurement support services is 100% offset by State and Federal funds received from the State's Managed Risk Medical Insurance Board (MRMIB) on a capitated per member per month basis for each HFP subscriber enrolled in CHP. The total estimated cost for the provision of network health services with L.A. Care is \$5.6 million dollars for the extension period. CHP will reimburse L.A. Care for a total maximum obligation of \$272,000 for the performance measurement support services provided to CHP. Funding is included in the Office of Managed Care's FY 2006-07 Final Budget, and will be requested in future years.

Nurse Advice Line

L.A. Care will continue to provide or arrange for the provision of nurse advice line services for the duration of term of each respective L.A. Care Agreements for all CHP product lines at no additional cost to the County.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The CHP is a full-service Knox-Keene Licensed (1985) and federally qualified Health Maintenance Organization (1988) publicly operated by the County of Los Angeles and administered by the Department's Office of Managed Care, providing health care services at low or no cost through the Medi-Cal Managed Care Program, Healthy Families Program, Los Angeles County Temporary Employees Program and PASC-SEIU Homecare Worker Health Care Plan.

L.A. Care Agreements

Plan Partner Services/Medi-Cal Program

On February 11, 1997, the Board approved the Plan Partner Services/Medi-Cal Program Agreement with L.A. Care. On subsequent occasions, the Board approved a new Agreement effective December 2002 and Amendments through December 31, 2006.

The CHP receives monthly capitation payments from L.A. Care for each Medi-Cal beneficiary enrolled in CHP, which provides 100% funding to the CHP's Medi-Cal Managed Care Program.

Negotiations with L.A. Care for a Replacement Agreement are ongoing. To this extent, the Department intends to amend and extend the current Agreement effective January 1, 2007, on a month-to-month basis, through June 30, 2007, or sooner, to allow both parties to fully complete their negotiations and execute the Replacement Agreement, which shall be effective the first day of the month following the date of successful contract negotiations by both parties during the extension term up to March 31, 2009. The Replacement Agreement will put CHP under the same contract end date cycle with other L.A. Care Plan Partner Services Agreements, including Blue Cross of California, Care 1st Health Plan, and Kaiser Permanente.

As with the existing Agreement, the Replacement Agreement will comply with all applicable State laws and regulations.

PASC-SEIU Health Care Plan-Administrative Support Services

The PASC-SEIU Health Care Plan provides health care benefits to uninsured or under-insured homecare workers and their newborn infants. As employees of PASC, these workers enable eligible seniors or persons with disabilities to remain safely in their own homes by providing personal care services, domestic services, accompaniment to medical appointments, and other health and personal care services.

On January 8, 2002, the Board approved the Agreement with L.A. Care to assist CHP with administrative support services. These services include claims processing, member services, utilization review, and management information systems. On subsequent occasions, the Board approved Amendments to amend and extend the Agreement through December 31, 2006. To this extent, the Department intends to enter into an Amendment Extension of the current Agreement, effective January 1, 2007 through June 30,

2007, upon substantially similar terms and conditions, to extend services provided for the CHP's PASC-SEIU Homecare Worker Health Care Plan.

Healthy Families Program

HFP provides low-cost health care to uninsured children up to age 19 from low-income families who do not qualify for Medic-Cal.

On January 7, 2003, the Board approved the L.A. Care Agreement for the provision of health care services, through L.A. Care's network of primary, specialty, hospitals, behavioral health, and pharmacies, to HFP subscribers enrolled in CHP. Under this Agreement, L.A. Care also provides performance measure support services to assist CHP with the submission of the annual Health Plan Employer Data and Information Set (HEDIS) performance report required by MRMIB. On subsequent occasions, the Board approved amendments and extensions to this Agreement through December 31, 2006. To this extent, the Department intends to enter into an Amendment Extension of the current Agreement, effective January 1, 2007 through June 30, 2008, upon substantially similar terms and conditions, to extend services provided for the CHP's HFP.

Nurse Advice Line

Nurse advice line services provide telephonic medical advice and referrals by specially trained registered nurses, physician assistants, licensed physicians, and surgeons. Such advice and referrals reduce the number of unnecessary visits to hospitals and physicians' offices by CHP members with minor illnesses and injuries.

On January 20, 2004, the Board approved Amendments to L.A. Care Agreements to add the provision of nurse advice line services for all CHP product lines, and subsequently approved extension of such services through December 31, 2006, at no cost to the County. L.A. Care has agreed to continue providing nurse advice line services at no cost to the County for the duration of term of each respective L.A. Care Agreements for all CHP product lines. As a result, the Department intends to extend the term of such Agreements to continue nurse advice line services for all CHP product lines.

Standard Form Provider Agreements for All CHP Product Lines

In 1998, 2000, and 2002, the Board approved a standard form provider Agreement for CHP's HFP, MMCP/CTEP, and IHSS product lines, respectively. As part of this approval and with the approvals of subsequent Amendments, the Board delegated authority to the Department to offer and execute these Board approved Agreements to potential providers meeting CHP's specified criteria and provider network needs. As such, the Department seeks delegated authority to continue to offer the Board-approved standard form Agreements under the same criteria to increase service capacity or access for CHP members.

Administrative Amendments of Existing Agreements for All CHP Product Lines

As a full-service Knox-Keene Licensed and federally qualified Health Maintenance Organization, the CHP is continuously subjected to rapid changes in State laws and regulations and other regulatory requirements, including changes in industry practices and conditions. In order to keep at par with other health plans and respond quickly to changing demands, the CHP needs a process where required changes are immediately implemented.

The Board's approval of delegated authority to the Director to execute Administrative Amendments, with prior approvals from County Counsel and the Chief Administrative Office, will enable CHP to keep pace with the continuous changes in regulatory requirements and industry conditions, while providing controls to ensure adherence to Board policy.

Attachments A and B provide additional information.

Exhibits I and II have been approved as to form and use by County Counsel.

CONTRACTING PROCESS:

Upon Board approval, the Director will have delegated authority to execute new Agreements or Amendments as described herein. The execution of the new Agreement or Amendment will be contingent upon review and approval by County Counsel and the Chief Administrative Office.

As mandated by the Board, the performance of all Contractors is evaluated by the Department on an annual basis to ensure the Contractors' compliance with all the contract terms and performance standards.

IMPACT ON CURRENT SERVICES (OR PROJECTS):

Services provided to CHP members will continue uninterrupted.

When approved, this Department requires four signed copies of the Board's action.

Respectfully submitted,
